

# THE ROTARY CLUB OF HUNTINGDON

Your Local Rotary Club

## Our Members

Rotary Club members come from a wide range of professional and business backgrounds. They are men and women with experience and expertise which they are willing to share with others, learning and contributing in equal measure. Whatever your interests, you are almost certain to find someone who will be able to offer encouragement and support.

## Club Meetings and Events

The Club meets regularly for lunch on Thursdays at the George Hotel in Huntingdon. This is an opportunity for fellowship and we usually have an invited speaker from local, national or international organisations. Throughout the year we hold social events and outings to which we welcome partners and friends.

## Fund Raising

We make direct donations through a Trust Fund which attracts Gift Aid but also put on fund-raising activities throughout the year such as concerts, quiz evenings, film nights and 'horse racing' evenings. At Christmas we run a Father Christmas float and sing carols in various parts of Huntingdon.

**Why not join us at one of our Thursday lunches?**

## Local Charities

Most of the money we raise is distributed to deserving causes within the Huntingdon area. We work closely with local groups such as Young Carers, the Youth Club, the Huntingdon Gym Club and the Volunteer Centre. We are also able to provide help with fees and expenses for individuals who need support with a course or expedition.

## Community Projects

We are able to offer both financial and practical assistance with worthwhile projects within the community. Past projects include assistance with upgrading the facilities at the Godmanchester Nursery and installing a quiet garden at the Thongsley Fields School.

## Supporting Young People

Working with young people is an important aspect of our activity. With local schools and youth organisations we arrange competitions, provide prizes, and give practical support both to individuals and to organisations.

## Rotary Worldwide

International projects are important to us. We raise funds for schools, help with medical projects and make support available in times of crisis. Rotary uses its international network to provide aid direct to those in the greatest need.
